

CCES Submission to 2027 International Standard for Intelligence and Investigations Review Second Consultation Phase

In response to WADA's request for comments as part of Phase 2 of the 2027 International Standard for Intelligence and Investigations consultation process, the CCES submitted the following comments.

Article 4 – Raw Information and Anti-Doping Intelligence

Clarification of Article 4.2.3, the description of the Article in the Summary of Major Changes does not align with the wording of the Article in the ISII. The Summary of Major Changes as written indicates that ADOs could be required to provide the identity of a Confidential Source, where the Article does not clearly indicate this.
