

## CCES Submission to 2027 International Standard for Intelligence and Investigations Review Third Consultation Phase

In response to the World Anti-Doping Agency's (WADA) request for comments as part of Phase 3 of the 2027 International Standard for Intelligence and Investigations consultation process, the Canadian Centre for Ethics in Sport (CCES) submitted the following comments.

### **Definition - Raw information**

The CCES would suggest updating "Doping Control Forms" to "Doping Control paperwork." This update would clarify that raw information does not only include DCFs, but all doping control paperwork including supplementary reports.
